- Notes:**
- This survey was accomplished in accordance with Revised Parcel Special Survey Instructions No. 90-321 and with A.S. 38.05.077 (SLA 1981)
  - All parcels of land owned by the State of Alaska located within 50.00 Feet of or intersected by a surveyed section line, are subject to a 50.00 Foot easement each side of the section line which is reserved to the State of Alaska for Public Highways under A.S. 19.10.010
  - All elements corners were recovered and used to control the location of the Tract boundaries.
  - The minimum closure of the Tract boundaries and the minimum accuracy of the field surveyed tie to the Bench of Coordinates, as field monuments, meets or exceeds one part in five thousand (1:5000).
  - All bearings are "True" bearings as oriented to the Bench of Bearing.
  - All Distances shown hereon are reduced to horizontal field distances.
